

Quartile Report for the Current Fiscal Year, 2023-24

Each little goblet below represents one pledging unit (which can be a single person or couple). This year, Davies has 42 pledging units.

The total pledged was \$156,345. Divide that by four and the result is (rounded) \$39,086. All the pledges were listed by size and grouped (without dividing any pledges) to approximate each quartile. The information is given below, and below the numbers is the graph that illustrates that 8 pledging units provide about half of Davies' expected pledge income.

First quartile:	3 pledges totaling \$37,800	Range \$10,700 to \$16,000	24.2%
Second quartile	5 pledges totaling \$39,100	Range \$6,240 to \$10,000	25.0 %
Third Quartile	8 pledges totaling \$38,645	Range \$3,600 to \$6,000	24.7%
Fourth quartile	25 pledges totaling \$38,627	Range \$100 to \$3600	26.1%
